

N95 MASK CHALLENGE!

DON'T FORGET ABOUT YOUR MASK

Be sure your child wears their N95 mask all the way into clinic so your child can get a sticker. After 5 stickers, your child will be able to pick a prize!

When do I wear my mask?

- **walking to the hospital until you reach CCBD clinic**
- **anytime you are outside in high winds or around construction sites as these areas have dust**
- **anytime you leave clinic or D6/C10 inpatient units**

Please ask your healthcare team if you have any questions.
