Course Director: Jeffrey Kahn, M.D., Ph.D.

Purpose & Content: This program is designed to provide an ongoing forum to obtain information about new developments in pediatrics utilizing lectures, slides and a Q&A format.

Target Audience: Practicing Physicians, including Children's HealthSM staff, UT Southwestern faculty, residents, and fellows.

Educational Objectives:

1. Review updates on the most recent advances in the various pediatric subspecialties and primary pediatric care.
2. Discuss recent clinical and research advances in the various pediatric subspecialties and primary pediatric care.
3. Integrate information received from nationally recognized leaders in the various fields of pediatric subspecialties.
4. Identify further areas of study.

Educational Method: Didactic PowerPoint lecture with interactive Question and Answer session

Accreditation: The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation: The University of Texas Southwestern Medical Center designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Relevant Financial Relationships: In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence in Accrediting Continuing Education, all persons in the position to control the content of an education activity are required to disclose all financial relationships in any amount occurring within the past 24 months with any ineligible company (any entity whose primary business is producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients). UT Southwestern also considers ineligible those companies producing, marketing, selling, re-selling, or distributing healthcare products in development for future use on patients, such as healthcare product research companies. All reported financial relationships with ineligible companies are reviewed for relevancy and then mitigated through a content review process prior to the activity (where applicable).
