

GET UP & GO

WEIGHT MANAGEMENT PROGRAM

Prepare your child for a healthy and active life!

Get Up & Go by Children's HealthSM was created to help children achieve healthier habits. In fact, our Weight Management Program helps children and their families select healthy food choices and make physical activities fun.

In this fun, FREE 10-week program, kids and their families:

- Meet for 1½ hours each week to learn about nutrition and how to make good food choices.
- Participate in fun physical activities.
- Set nutrition and activity goals for the whole family.
- Reduce the chance of serious illnesses like diabetes and heart disease.
- Enjoy 20 weeks for FREE membership to your local YMCA.

Classes are offered for children across two age groups:
