Cost-Share and Limited Benefit Plans

Cost-Share and Limited Benefit Plans are not traditional insurance nor are they regulated by any state or Federal regulatory entities. Patients with this type of coverage will be managed as self-pay.

If you have questions, please read your insurance card, policy or other available material from your health plan. We also recommend that you contact your health insurance carrier or employee benefits administrator to verify coverage and/or request additional information on your health plan.

NOTE: Physicians contract with Managed Care Organizations separately from the hospital. Therefore, this list may be used as a reference for hospital services only. Please contact physicians directly to determine their plan participation.
